

Prerna Kushwaha

M.Sc. Chemistry (Final Year) | Laboratory Enthusiast

Mobile: 7489544196 | Email: prernakushwaha13@gmail.com

Objective

Motivated M.Sc. Chemistry student with hands-on experience in laboratory instruments and quality control practices. Seeking an opportunity to apply analytical and laboratory skills in the chemical industry while contributing to organizational growth.

Education

M.Sc. Chemistry (2024- 2026) – IPS Academy, Indore | 66.12%

B.Sc. – Janta College, Rewa (2021–2024) | CGPA: 6.9

12th – Saraswati Shishu Mandir, Baikunthpur, Rewa (2020) | 76.6%

10th – Saraswati Shishu Mandir, Baikunthpur, Rewa (2018) | 78.4%

Internship Experience

Intern – Cynopharma Pvt. Ltd., Indore (June 2025 – July 2025)

- Assisted in quality control testing of pharmaceutical products.
- Operated laboratory instruments such as pH meter, spectrophotometer, and conductivity meter.
- Supported quality assurance documentation and testing procedures.
- Worked with production team to ensure product quality and compliance with standards.

Certifications

December 2024

Extraction and Analysis of Bioactive Compounds from Medicinal Plants – Studied *Bacopa monnieri* and reviewed techniques of extraction and phytochemical analysis; presented findings through a scientific poster.

February 2026

Groundwater Quality Assessment in Industrial Area, Indore – Collected and analyzed groundwater samples using standard laboratory techniques and compared results with WHO permissible limits.

Projects**January 2026**

Kinetics study of Hydrolysis of Benzaldehyde and Salicylaldehyde by Acidic $K_2Cr_2O_7$ in presence of Sodium Dodecyl Sulphate (SDS).

Laboratory Skills

pH Meter, Conductivity Meter, Spectrophotometer, Colorimeter, HPLC, Chromatography, Sample Preparation

Computer Skills

MS Word, MS PowerPoint, MS Excel
